

Ventilated Wire

STANDARD FIXED SHELVING

Lifetime™ Ventilated

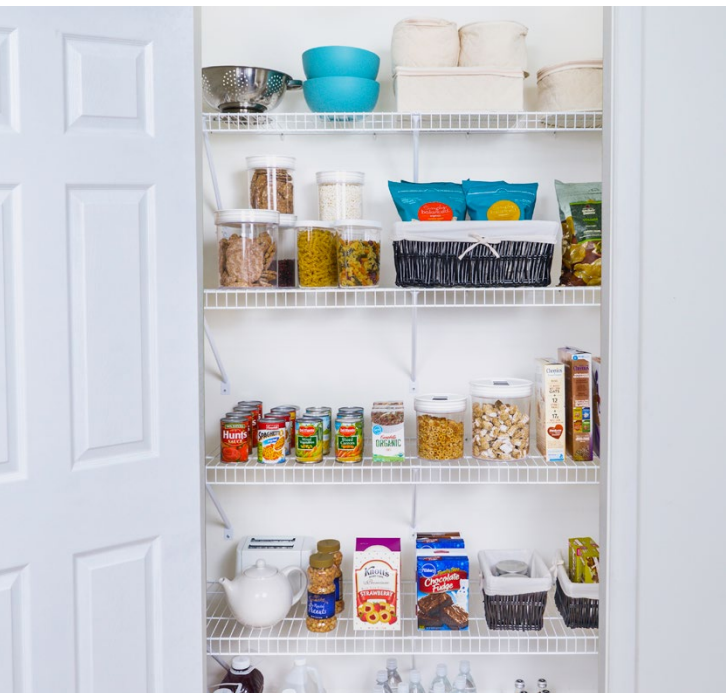

STANDARD FIXED SHELVING

Organized Living Lifetime Ventilated is the strongest ventilated storage system on the market. It provides the strength and durability that homeowners expect. The thickest wire gauge, epoxy powder coating, and patented hardware combine to offer ventilated shelving that's built to last a lifetime.

Why Choose Lifetime Ventilated?

- Limited lifetime warranty.
- Installed with proprietary, Tri-Loc hardware offering a weight load capacity of 75 lbs per linear foot.
- Strongest fixed wire shelving option available on the market, meaning it cannot be replaced in specifications.
- Green features may contribute to LEED projects.
- Available in White and Nickel finishes.
- Manufactured with virtually indestructible epoxy powder coating to resist cracking, chipping, peeling and discoloration.
- Templates for easy, accurate installation.
- The patented hollow wall anchor system is strong enough to hold in drywall and can be installed without blocking.
- Made in the USA.
- 30% more steel than competitive ventilated wire systems.
