TRULY ADJUSTABLE STORAGE

I have been very impressed with my new closet! Everyone who has seen it has commented on how nice it looks. You really do have the best closet storage systems out there.

MELISSA S.

freedomRail®

THE TRULY ADJUSTABLE STORAGE SYSTEM.

DURABLE.

Designed with up to 50% more steel than most adjustable systems to withstand active families. The strength and engineering of freedomRail will provide years of worry-free use.

STRONG.

As strong as it is beautiful, freedomRail holds more weight – 170 pounds per linear foot – than other rail-based systems.

VERSATILE.

freedomRail offers endless flexibility and components can be easily adjusted to fit your active lifestyle, without any tools.

BEAUTIFUL.

Choose from on-trend finishes to complement décor throughout the home. A full line of accessories to maximize your storage space.
