Classica™

Combines strength and beauty to create a custom storage solution that works for you.

DESIGNED TO LAST.

Engineered with the strongest cleats in the industry and patented hardware to ensure alignment over time. Constructed from durable ¾" thermal-fused laminate with radius edgebanding means no sharp edges, no sagging shelves, and no chipping.

BEAUTIFULLY CRAFTED.

Classica showcases the timeless beauty of built-in wood cabinetry and features decorative fronts, full-extension drawer glides, deep shelves, and a complete line of accessories for a truly custom storage solution.

THROUGHOUT THE HOME.

The built-in aesthetic of Classica looks beautiful and functions perfectly in any area of the home, including the master bedroom closet, kitchen pantry, living room and mudroom. Classica is offered in many colors to compliment furniture and décor throughout the home.

MAXIMIZE SPACE.

Classica can be floor or wall mounted to maximize the available space in a closet or an open wall. Custom fit on-site to maximize every inch of space in your home.
